

SUMMER DAZE

NAIL ART STEP BY STEP

NAIL PREP

After prepping nails, apply a thin coat of **STICK WITH IT** base coat.

STEP 1

Apply a thin coat of **YOU'VE GOT TAN-GERINE LINES** to 2/3 of the nail leaving the entire free edge free of product. Apply a second coat for full coverage.

STEP 2

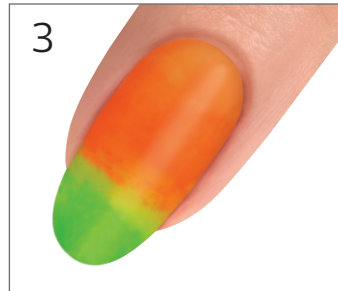

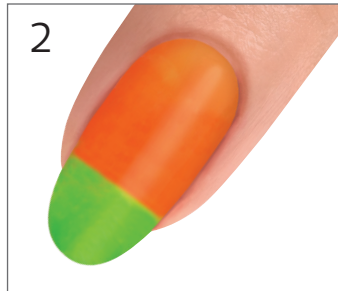

Apply a thin coat of **LIMÓNADE IN THE SHADE** near the free edge.

STEP 3

Using a sponge, quickly blend before the lacquer dries. Repeat step until desired look is achieved.

STEP 4

With **ARCTIC FREEZE** and the Mini Stripper Brush, paint a palm tree and add details.

STEP 5

Using The Mini Stripper Brush and Arctic Freeze, start painting circles to create bubbles near the free edge. Lightly blend the circles using **REANIMATE** Lacquer Thinner and add additional details. Finish with **NEED FOR SPEED** top coat.
